

**GENERAL NOTES:**

1. Detail is from the AISI Document entitled **Low-Rise Residential Construction Details**.
2. Consult **SFIA Technical Guide for Cold-Formed Steel Framing Products** for joist size, thickness, and spacing.
3. Floor joist must bear directly on line with structural stud underneath.
4. Consult with specialty structural engineer for floor and wall design.

**DISCLAIMER:** This detail must not be used without a complete evaluation by the owner's design professional to verify validity of the design.
