

SFIA QUALITY ASSURANCE SYSTEM AFFIDAVIT

Our company is committed to quality workmanship, performance, and durability of the constructed product. To this end, we pledge:

- My company has established Quality Assurance system policies, and these practices and procedures will be followed at all times.
- We will comply with applicable construction codes, regulations, safety requirements, and good workmanship practices.
- We will fulfill contract requirements in their entirety.
- All crews will work under the direction of Qualified Crew Leaders.
- All inspections will be performed by Qualified Inspectors.
- We will pursue continuous improvement toward the prevention of defects.

I certify that the information in this affidavit is true and accurate. I understand that this company's status as a SFIA Certified Contractor is effective through June 30, 2019 and is contingent upon maintaining the Quality Assurance requirements listed herein.
