

Member Directory

Welcome to the SFIA Member Directory. This is a tool you can use to find the members, product or service you need for your cold-formed steel framing projects. The listing for each member firm or individual contains contact information, company descriptions and a hyperlink to the member's web site.

Launch your search by clicking the SEARCH link, below.

```
;(function( $ ) { "use strict"
    var has_submitted = false;    jQuery( 'form#mod_SearchFormPage > .mc-button' ).on(
'click', function(){        if( has_submitted ){            return false;        }        var $btn =
jQuery( this );        $btn.prop( 'disabled', true );        jQuery(
'form#mod_SearchFormPage').submit();        has_submitted = true;        return true;
});    }( jQuery ));
